Promotional Opportunities

Exhibitor Spotlight

During this forum before the official trade show, the PEARL president will introduce all exhibitors by name to attendees and then give each exhibitor 3 minutes to briefly discuss any new products, emerging technology, or industry trends they are influencing. This will encourage attendees to visit them during the trade show and provide a greater platform to cover anything important with the company.

Promotional E-blast Message and Exhibitor Webpage

Reach your potential customers AND maximize your presence before arriving in Grand Rapids! PEARL's goal is to assist you in increasing your sales by targeting key prospects with pre-show marketing in the weeks leading up to the Annual Conference. The exhibitor recognition webpage and special vendor e-blast message will serve as resources for attendees to learn more about your company. This promotional opportunity is FREE for all 2019 exhibitors.

Door Prize Drawings

To encourage consistent traffic in the exhibit hall, PEARL will continue to facilitate the successful door prize drawings to provide even more incentive for attendees to visit your booth. Each door prize will be hosted at your exhibit booth where you will collect business cards of attendees. Winners will be drawn during the same time as the Cash Prize Giveaway.

We strongly encourage all exhibitors to offer at least one door prize worth \$50 or more. Special discounts on products and services are welcome. Prize information is included in conference registration materials. Please be sure to fill out the door prize section in the exhibitor application.
