

From the PEARL website menu, use the mouse to hover over EDUCATION

- Technician Certification Program will take you to the main information page about the PEARL certification program.
- Application Information will provide you with information on the process for submitting an application.
- Certification Portal will take you directly to the online certification portal which houses the applications and exams.
 - Please note, access to the exams is unavailable until an application is submitted and approved.

From the Technician Certification Program and Application Information pages, you will have access to all certification pages through the menu on the right side of the screen.

****We recommend you review these pages prior to submitting your application for certification.**

TECHNICIAN CERTIFICATION PROGRAM

*At this time Pearl is migrating to a new Learning Management System. This will allow for a more candidate-friendly experience. Anyone scheduled to take the test, in the pipeline, will be contacted by Don West and Terry Wanamaker.

Through its Technician Certification program, PEARL provides individuals the opportunity to become recognized as a Certified Electrical Equipment Reconditioning Technician.

A Certified Electrical Equipment Reconditioning Technician is an individual who inspects, tests, evaluates and reconditions electrical equipment to ensure that it will perform safely and reliably when returned to service. Technicians must be knowledgeable about the electrical equipment they recondition and capable of performing reconditioning functions in a safe manner.

Through a combination of years of practical, hands-on experience, training, and successful completion of an online certification exam, individuals obtaining certification through PEARL will have demonstrated their ability to perform specific reconditioning tasks by virtue of their technical knowledge and experience.

Why Get Certified?

For the employer, PEARL Technician Certification provides a way to distinguish companies with certified technicians on staff, giving these companies a marketable edge and elevated status within the industry. Certifying your technicians will improve employee morale and reduce turnover, provide a feeder path

When you first enter the online certification portal, a pop up window may appear. Please wait a few seconds for this window to disappear.

The screenshot shows a web browser window with the URL `pearl.mycrowdwisdom.com/diweb/start`. A 'Sign in' pop-up window is centered on the screen, containing the following fields and buttons:

- URL: `https://pearl.mycrowdwisdom.com`
- Username:
- Password:
- Buttons: [Sign in](#) and [Cancel](#)

A red box highlights the 'Sign in' pop-up window. To the right of the pop-up, another red box contains the text: "Please wait for this window to disappear. **DO NOT** attempt to log in here." with a red arrow pointing towards the pop-up.

The background website features the PEARL logo, a navigation menu with 'Dashboard' and 'Catalog', and sections for 'Contact Us', 'About Us', and 'Sign up for PEARL\$AFE'. The footer includes a cookie notice: "This website uses cookies to ensure you get the best experience on our website" and an 'Accept' button.

Once the pop-up disappears, you will be redirected to the systems Privacy Policy Page. You will need to accept this policy to proceed.

The screenshot shows a web browser window with two tabs: 'Education | Technician Certificati...' and 'Professional Electrical Apparatu...'. The address bar shows the URL: pearl.mycrowdwisdom.com/diweb/gdpr/policy?thruGateway=true&f=https%3A%2F%2Fpearl.mycrowdwisdom.com%2Fdiweb%2Fdashboard. The browser's bookmark bar includes AHIA, AUTM, AAPOR, ISTSS, PEARL, Kellen, and ASCRS. The page header features the PEARL logo and a search bar labeled 'Find Courses'. A left sidebar contains 'Dashboard' and 'Catalog' links. The main content area is titled 'Privacy Policy' and includes an 'Introduction' section with several paragraphs of text. Below the text is a section titled 'YourMembership Software Platforms' with a paragraph of text. At the bottom of this section, there are two buttons: 'Accept' and 'Decline'. A red arrow points to the 'Accept' button. The footer contains the PEARL logo, 'About Us' link, 'Sign up for PEARL\$AFE' link, and a 'Sign Up' button. A dark bar at the very bottom contains a cookie notice: 'This website uses cookies to ensure you get the best experience on our website. More Info' and a 'Contact Us' link. A small 'Accept' button is also visible in the bottom right corner of the footer area.

The certification portal will open in the Dashboard.

- Dashboard will show all your in progress items
- Catalog is where you can access applications, and options to renew your certification.
 - Exams will show in the catalog after your application is approved and you have been enrolled in the appropriate exam.
- My Learning will also show your in progress items.
